Please Welcome . . .

Josh Osinkosky, Line Attendant. Josh is cleaning the windshield of N5NN Cessna 421 owned by USC.

Rob Robillard, Line Attendant. Rob is welcoming N74374, a Grumman Tiger that has arrived for brake maintenance.

Billy and Rob fueling a thirsty Gulfstream III, N475DJ owned by Bay Creek.

Our 25th Anniversary

2006 has been a wonderful year for us as we celebrated our 25th anniversary. The highlight of the year was our Open House in August when we had over 250 friends for a reception. It gave us a good opportunity to show off our new epoxy floor and other improvements.

Thank you . . .

Most importantly we want to express our appreciation to our customers for their business. We never could have been successful for these 25 years without our loyal customers.

We also want to thank our employees, the Department of Aviation for the City of Dayton, our suppliers, and the FAA for their support in helping *Commander Aero* grow.

Jack Musgrave, Avionics Manager installing a Garmin GMA 340 Audio Panel in a Beech Baron N43BS.

Current Projects . . .

Kent Crawford, middle, talking to Bryan Hix and Scott Shaw about the improvements being made to the Model 840 Turbo Commander that Kent recently purchased.

Ed Wright, A&P Technician performing an annual inspection on Kent Crawford's N611PM Cessna 421C prior to it being sold.

Scott Shaw, Lead Technician performing a Pre-buy/Annual inspection on a SR20 Cirrus N20CD.
