Upgrades . . .

Avidyne's Release 9 Integrated Flight Deck

For all their dazzling displays and computational wizardry, glass cockpits can be complex to learn and challenging to operate. Avidyne aims to change all that with its Entegra Release 9 Integrated Flight Deck

Entegra Release 9 has five primary function modes: Primary Flight Display (PFD), Flight Management System (FMS), Maps (MAP), Engine and Flight Systems (SYS) and Checklists (CHKL).

Call Jack Musgrave at 888.881.5580 x22 for details.

Debbie Morris and Bryan Hix preparing N3174U for dynamic prop balancing.

Debbie had her engine overhauled by Magnum and knows the importance of dynamic prop balancing especially for Continental engines.
